

TRIDENT TENDERS AND TOYS

TENDERS

AXOPAR

This 11.2m Axopar is an all-weather boat which assures a comfortable ride to and from the shore, or for longer excursions. This boat includes interior and exterior seating and has a cabin with a bathroom.

NAUTICA CATAMARAN TENDER

Trident has a 7.2m catamaran RIB tender with beach landing capabilities. This tender has a drop-down bow door for easy walk-on/walk-off access. The 300hp Yamaha outboard engine makes it perfect for quick guest transfers to the beach or longer excursions and sight-seeing.

SUPER AIR NAUTIQUE 210

This is a vibrant top of the range professional wake sport boat designed for wakeboarding, wakesurfing and skiing. This boat can also be used for towing inflatable toys. Spectators can enjoy comfortable seating and the excellent sound system.

JET SKIS & SEA BOBS

SEA-DOO RXT-X 300

Trident is equipped with 2 Sea-doo's. These jet skis can perform up to 60mph with its 300hp engine, and therefore can provide a thrilling high-speed ride.

YAMAHA SUPERJET

1-person stand up personal watercraft. Designed for racing and freestyle riding.

SEABOB F7 & F5

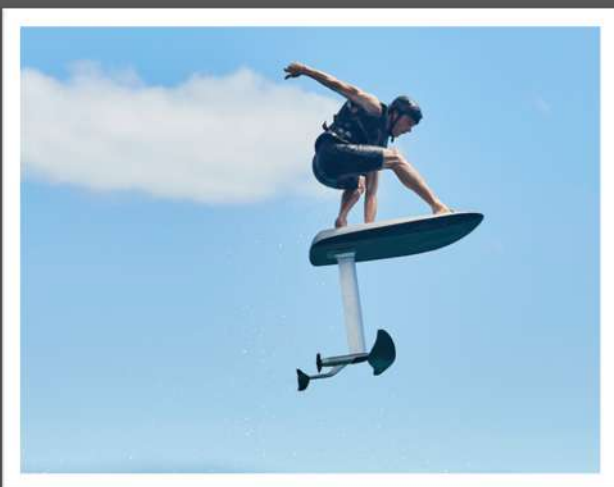

Trident has 2 sea bobs designed for cruising on the surface or exploring under the water.

TOYS

JETOVATER

The Jetovater is like a BMX bike powered by the thrust of a jet ski. The rider can turn and spin using the two handles. The Jetovater can be ridden high in the air or even under water.

HOVERBOARD

This jet ski propelled board allows the rider to “surf” in mid-air making fast sweeping turns.

FLYBOARD

The most manoeuvrable of the jet ski powered toys, the flyboard can spin, flip, and allow the ride to dive under the water, and emerge like a dolphin.

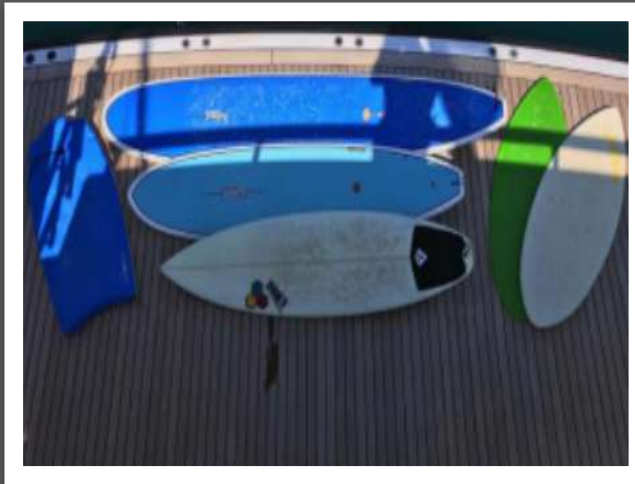

JETPACK

The rider is suspended below the jet pack and can hover high above the water or run along the surface.

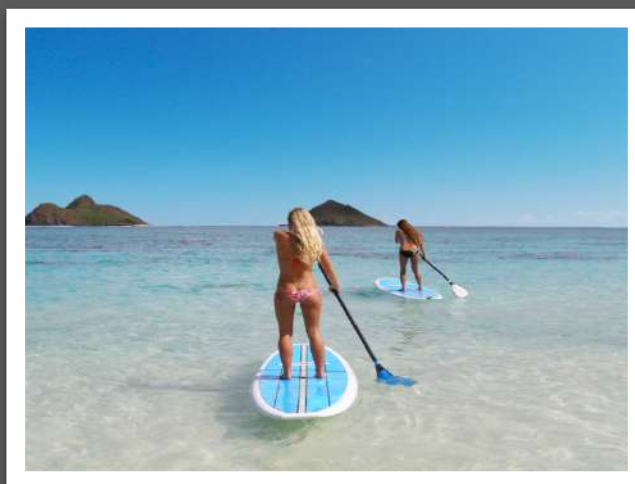

KITESURFING EQUIPMENT

Onboard there is a variety of kites, boards, and harnesses to cover all abilities and wind conditions.

SKIMBOARD, BODYBOARD & SURFBOARDS

A variety of boards are available for beginners and experienced surfers.

STAND UP PADDLE BOARDS

Trident has two stand up paddle boards with extending paddles to fit users of all sizes.

KAYAKS

There are 2 kayaks onboard Trident. 1 of them is for 2 people and the other is a single seat model.

TOWING TOYS

- WAKEBOARDS
- WAKESURF
- WAKESKATE
- WATERSKIS
- KNEEBOARDS

Trident has a variety of boards for towing behind the Super Air Nautique 210. There are a variety of sizes to fit all riders.

- FOIL BOARD
- ELECTRIC FOIL

The foil board is a towable “surfboard” with a built-in hydrofoil that lifts the rider out of the water, giving an ultra-smooth ride and a sense of gliding over the water. The electric foil board gives the same effect, however, is controlled by a small handheld remote instead of a tow rope.
