# TASTE OF THE SUPERYACHT LIFESTYLE

---

The 38.1m/125' motor yacht PERSISTENCE is the prime candidate for anyone looking to taste the superyacht lifestyle. She is one of the Majesty 125 models and was built & delivered in 2017 by the Emirati shipyard Gulf Craft, who also completed the naval architecture & designed the interior. Powered by twin Caterpillar engines, she comfortably cruises at 15 knots and reaches a maximum speed of 20 knots. Following a recent extensive and complete gut refit in 2022, PERSISTENCE has an array of charter-focused amenities and a well-established & experienced crew of 6 to ensure a memorable experience onboard whatever the destination.
